

Press Release

19th March 2009

Nviro Cleantech plc

("Nviro" or "the Company")

Trading Update

Further to the Company's announcement of 9 March 2009, the Directors continue to evaluate the options available to the Company at this time in order to bring maximum benefit to its shareholders.

The Company is currently in preliminary discussions in relation to a number of options available to them and a further announcement will be made by the Company in due course.

- ENDS -
